

Colours & Shapes!

Let's sing!

Colours and shapes are everywhere
a triangle, a circle and a square
red ones, yellow ones, blue ones, green
Lots of different colours to be seen!

Draw your favourite shape!

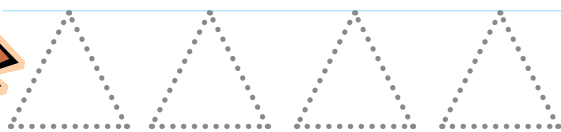

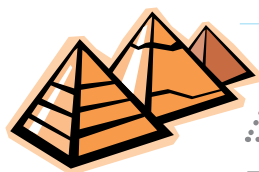

Colour Fun Fact!

when you mix colours together
you can make a brand new
colour, If you mix...

You can try this at Home!

Colour and Shape Patterns! trace these patterns then draw your own.

Activity Suggestions! fun ways to learn shapes and colours

- # Pom pom colour sorting
- # Pom pom colour drop
- # Gluing shapes with paddle pop sticks
- # Shape threading

- # Musical Shapes - Place large cut-outs of shapes on the floor in a circle. Have the children step from shape to shape while you play music. Stop the music and have each child tell you what shape they are standing on

- # Colour of the week. All children invited to bring an item of the colour to go on a colour table
- # Surprise bag of shapes - the children take a shape out while blind folded and then feel it to guess the shape

- # Twister
- # Shape/colour bingo
- # Shape dice
