

# Counting

Let's sing!

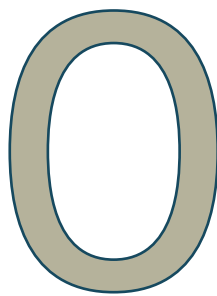

HAPPY  
FEET  
FITNESS

Counting is clever, counting is fun, counting is done, one by one  
You can count on your fingers or you can count on your toes  
Some people count sheep to get to sleep, are you one of those?

What is your  
favourite number?

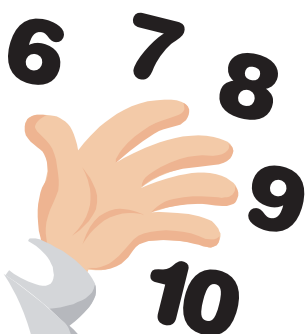

Counting Fun Fact.

Different names for the number '0'  
include zero, nought, nil, zip and zilch

Trace the numbers, then draw your own!

Activity Suggestions! Countdown to fun

- # Counting songs
- # Coloured fruit counting and sorting
- # Building tall towers counting as we build
- # Number tracing
