

Multicultural Class

Let's sing!

Everybody's different, every boy and girl
in every country around the world
but we are all the same inside, with love
in our hearts we can stand side by side

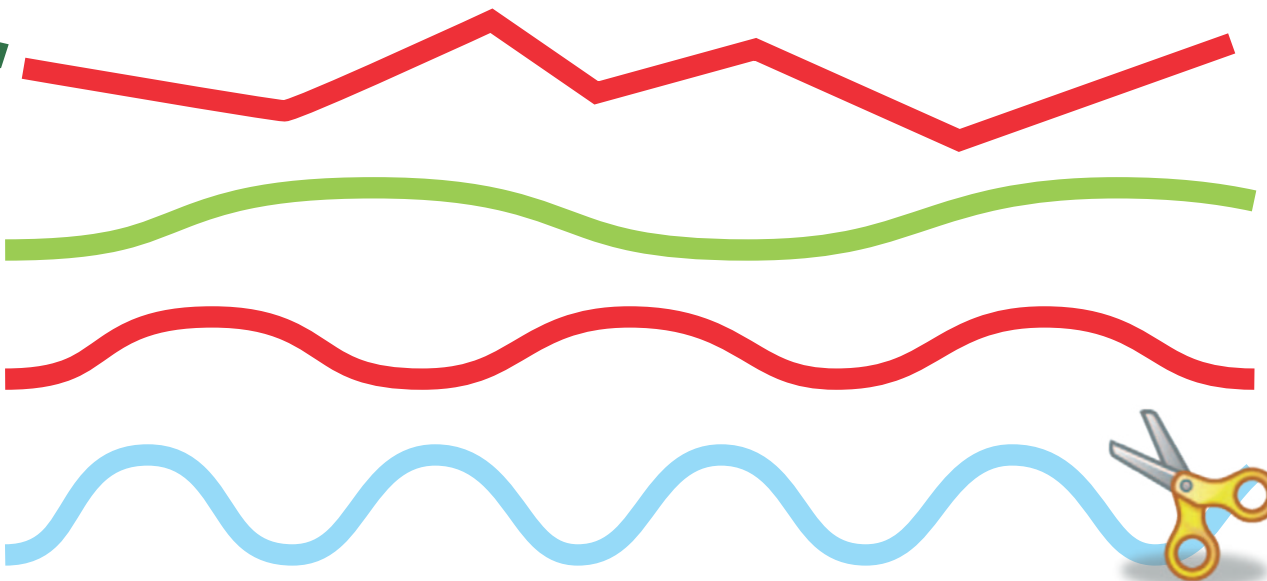

What does the world look like? World Fun Fact.

Draw the world here.

Different countries all over the world
have their own special dances that they
do to celebrate their culture

Cut along the Red Line! practise carefully cutting along the line...

Activity Suggestions! fun ways to learn about the world

- # Explore the World on a globe
- # Counting in other languages
- # Invite a Multicultural Parent to do an activity

- # Multicultural Puzzles
