

The ZOO

Let's sing!

Let's go to the zoo, there's so many things to do, Let's all go to the Zoo, Can you do what the animals do?

**HAPPY
FEET
FITNESS**

Do you have a favourite zoo animal?

Fun Fact.

The Giraffe is easily the tallest animal at the zoo. They also have the longest tail of any animal. Giraffes can moo, hiss, roar and whistle to talk to each other.

Which one is different?

Activity Suggestions! Let's go to the Zoo! it's great to do!

- # Follow me around the room being zoo animals
- # Invite the children to tell their experience of their day at the zoo
- # Create a story with the children about the zoo. The children will all input into the story line, the characters and the design of the book.
- # Create different environments around the room for different zoo animals
- # Zoo animal foot print paintings
- # Zoo animal puppets in book corner
- # Singing familiar zoo animal songs
- # Animal memory games. Can get quick templates off internet or create one with the children
- # Endless art and craft animal making ideas on the internet eg paper plate lions, hand print elephants
- # Where Do The Animal Go?
Create three areas, farm animals, zoo animals, and pets. Using small pictures of several different animals let the children place the animals where they should go.

Remember some animals can go multiple places. This allows you to discuss the differences with the children.
